There is much work to be done and
that promptly and the appointment of
a special officer is necessary for its
performance. This arrangement is the
best for taking action for reducing
our finances to order as far as
possible before the budget programme
for the next year is drawn up and
I beg therefore to support it.

Submitted to His Highness.

The progress reports of the Special Finance Committee contain numerous points which require careful examination from the administrative side before Government can pass final orders. The Committee will shortly be sending its ad interim report on points affecting the next budget. This report will have to be dealt with very promptly. There are also other matters arising out of the financial position which may not be dealt with by the Committee and which have to be examined by Government.

All these matters will have to be studied and worked up by an officer working directly under the orders of the Dewan. The Chairman of the Special Finance Committee with whom I had a talk in the matter agreed that such examination and study by a capable officer taking orders and instructions direct from the Dewan was necessary.

The matter was considered in Council on the 6th instant when the following resolution was recorded:-

"The appointment of a special officer to deal with questions arising out of the financial position, both under revenue and retrenchments to work directly under the orders of the Dewan may be sanctioned for a period of six months and the officer selected may be given his grade pay with a duty allowance of Rs.100".

As regards the selection of an officer, I beg to recommend that Mr.C.Ranganatha Rao Saheb may be appointed Special Officer for a period of 6 months. He will be relieved of his present office and I propose, if his selection is approved, to entrust him with special work.

The arrangement now suggested causes the least disturbance which might result in the selection of another officer. I am confident that Mr.C.Ranganatha Rao Saheb will be able to do justice to the work under my personal direction. He may be given his grade pay plus a duty allowance of Rs.100.

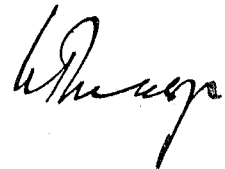

These proposals involve no extra expenditure. The cost which is only for a temporary period will be more than covered by the savings which will be effected permanently in the Dewan's personal establishment under the proposals separately submitted.

The Financial Secretary has been consulted and his opinion supporting the proposal is in the file.

The above proposals may be graciously approved.

Dated, 15th April 1922

The Progress Reports submitted by the Special Finance Committee and the Committee's ad interim report just received contain many important points which call for careful examination from the administrative side before Government can pass final orders. There are also other matters arising from the present financial position which require to be examined by the Government. With a view to facilitate to deal promptly with the work indicated above, Government consider it necessary to appoint a Special Officer for a period of six months.

Government have selected Mr. C. Ranganatha Rao Saheb, Deputy Director of Commerce doing duty as Private Secretary to the Dewan for the post and are pleased to appoint him as Special Officer. He will work directly under the orders of the Dewan. During his employment as Special Officer, Mr. Ranganatha Rao Saheb will draw his grade pay as Deputy Director of Commerce together with a duty allowance of Rs. 100 a month.
